Ends 13 April 2012

Autumn 2012

Application deadline 6 July 2012

Starts 28 Aug 2012

Ends 30 Nov 2012

You may be a beginner in certain areas and have intermediate skills in others. All students take 3 mandatory units, which are complemented by your own choice of additional subjects. This way you may tailor-make your ideal programme, to suit your individual needs.

Our Study Abroad programme offers students from all over the world, graduates, or those preparing for a career change, the opportunity to study a range of fashion related courses in London, one of the world's fashion capitals.

You will gain knowledge of the European fashion market and learn specialist practical skills... within the stimulating, creative, and multicultural environment of London College of Fashion.

SUMMER SCHOOL 2012

2 Options

You can choose either our 'Fashion design & merchandising' summer school or our 'Footwear design' summer school.

Both summer school programmes include a fashion and culture study trip to a relevant European city.

Credit earned on programmes may be transferred back to your home institution. The Study Abroad team can offer advice on this.

Take a look at what we offer and get in touch with us if you would like to know more.
